C350 Corpus™

If you prefer a rear wheel drive chair and demand top class seating comfort...

The C350 offers you a fast, easy to drive, powerbase with an attractive modern design.

With a Corpus seating system on your C350 you have the possibility to customise your seating to fit you perfectly. The almost limitless adjustment of depth, width, height and angle of the Corpus' multiple seat components contributes to an ergonomically pleasing package with a series of power seat functions at your fingertips.
