SPACER PACKAGES FOR UPGRADING TO TiLITE'S PERFORMANCE WHEELS

SPACER PACKAGES FOR TILITE'S PERFORMANCE WHEELS

⚠ **WARNING**
Before replacing your front wheels/casters refer to the section on replacing the casters in your TiLite Owners Manual.
TiLITE PERFORMANCE WHEEL SPACER PACKAGES
To upgrade your Front Wheels to TiLite's Performance 5-Spoke Billet Aluminum Wheels, one of the following Spacer Packages may be required. To identify the Spacer Package that you require, first identify your fork type and follow the instructions below. When installing, make sure the wider spacer in the package is positioned on the recessed side of the wheel, which should be oriented outwards when the wheel is in the trailing position.

Spacer Package for Frog Leg Forks
If you have Frog Leg Suspension Forks as seen in Figure 1, measure from <u>inside</u> to <u>inside</u> of fork at axle location as seen in Figure 4 and if it measures 1.62" (41.1mm) you will need the AS111514 spacer package. Please call customer service at 800.545.2266 if your inside dimension measurement is not 1.62" (41.1mm).
