

Exclusive VA Options and Accessories

Quickie and Zippie Options & ACCESSORIES

The **Quickie Service Appreciation Program** was designed to give back to those who have given so much to our country. Quickie has extended these exclusive features and options to our soldiers to express our gratitude and respect for the lives they have dedicated to the preservation of freedom and justice. Our family and friends sleep well at night and enjoy the liberty of the greatest country on earth because of your selfless acts.

Show your military pride! Six military service patches are available on the Jay J3 backrest and tension adjustable upholstery.

Customize your look!
Choose from our, exclusive to Quickie, Kolorfusion® patterns.

Other camo options available through Built-4-Me

Quickie Xtender

- Power assist device to aid in propulsion
- No programming needed
- Easy to transport and store

Sunparts Online

Quickly and accurately search and order parts for all Quickie® Zippie® and Breezy® wheelchairs, as well as JAY® seating products

Go to www.sunrisemedical.com and select the Parts tab to begin your search. Reverse lookup is available to find parts by entering the serial number.
