

MACH 2

Quickie Mach 2 - Perfect for any Rider

Available in three-speed and seven-speed models, the Mach 2 features high quality Shimano Nexus® components and an easy-to-use coaster brake. To ensure a precise fit and easy transfers, the Mach 2 is equipped with flip-up footrests and a sliding seat. Adjustable crank heights provide positioning options for optimal cranking power. The Quickie Mach 2 is ideal for the rider looking to exercise or take a family ride on a favorite path.
