

Invacare eForms offer new functionality!

Invacare is pleased to offer you an upgraded solution to your ordering process. Our enhanced order forms allow you to fill out a form electronically, print and fax the form, save and email* it to Customer Service, or maintain the business practices that work for you today. The format has been revised to reveal a cleaner look with electronic selection and input functions.

*Saving and emailing the eForms is available with Acrobat Professional software

If you are using Adobe Reader

- **View** and download all forms
- **Save** blank versions of the forms to your desktop
- **Complete** forms electronically
- **Print** blank or completed forms
- **Fax** completed forms to Customer Service

Please note: The 'Email' button at the end of the form will not work with Adobe Reader. The 'Email' button will only work while using Adobe Acrobat Professional.

If you are using Adobe Acrobat Professional

- **View** and download all forms
- **Save** blank AND completed versions of the forms to maintain electronic records
- **Complete** forms electronically
- **Print** blank or completed forms
- **Fax** completed forms to Customer Service

Top End® Excelerator™ Handcycle

Specifications

- **Frame** – 1 3/4" x .065 ovalized carbon steel tubing.
- **Frame Design** – Single main tube, upright position.
- **Wheelbase** – Overall length 65".
- **Weight** – Overall weight 50 lbs.
- **Turning Radius** – 12 feet for 360° circle, 8 feet with one backing maneuver.
- **Static Tip Angle** – 25 - 30° for 250 lbs. subject.
- **Transfer Seat Height** – (with 2" Cushion) 20".
- **Crankset** – Sugino 175mm with chainring, (38 teeth) adjustable height also includes chain tension idler.
- **Optional Top End V Crankset** - Top End V Crankset is available for customers that need more clearance due to long legs or large midsections. The cranks are 180mm long x 22" wide and this is measured center to center to the point at the middle of the handpedal. Mountain Drive option not compatible with V Crankset option.
- **Chain guard** - Shock resistant composite construction.
- **Parking Brake** - Caliper brake w/locking brake lever.
- **7 Speed Propulsion and Braking System** - - 175mm x 12" wide crankset w/one chainring, adjustable height crank, Shimano 7 speed front hub w/internal hub brake and 7 speed twist shifter. The shifter is mounted on left side of the frame but can be easily moved to the right side if easier for the customer.
- **Braking System** - Shimano internal drum brake (coaster brake) and chain, activated by pedaling backwards.
- **Optional Mountain Drive** - Works like a transmission to gear "down" for climbing hills so that there are 7 climbing gears and 7 regular gears. This option doubles of the number of gears making it a great option for customers with limited hand function. Limited warranty on this option. Cannot change gears under load.
- **Handpedals** - Shape and angle is ergonomically designed for maximum power. Ovalized aluminum ergonomic hand pedals.
- **Optional Handpedals** - Tri-pin quad handles offer a 3 point contact, (the same as are used in driving a car) and also allow customer to get on/off of handles independently, as to change gears, etc and are compatible with the standard crankset, not the V crankset. Quad gloves secure a quadriplegic's hand to the standard ergonomic handpedals.

- **Performance Wheels** - Rear hubs are precision heat treated, silver anodized w/quick release stainless axles:
24" Cruiser wheels Alloy 24 x 1.5 Rims
24" x 1.75" Treaded Tire, 24 x 1.5 Tube 40 - 65 psi
- **Camber** - 9° Camber for stability.
- **Uphostery** - Nylon w/hook and loop adjustable tension seat sling and fold over seat back. Hook and loop Seat restraint included. Foam seat cushion w/cover.
- **Uphostery** – Nylon with hook and loop adjustable tension seat sling and seat back. Seat restraints available. Foam seat cushion with cover.
- **Footrest** – Adjustable height and angle, dual footrests with safety straps.
- **Warranty** – 3 year on frame to original owner/limited parts warranty.
- **Assembly** – Shipped completely assembled except for rear wheels. Shipping weight is 80 lbs.
- **Options:**
 - Helmet
 - Quad Cuffs and Gloves
 - Tri-pin handles
 - Quad twist shift adaptation
 - Auto Style Seat Restraint
 - Water Bottle and Cage
 - Cordless Computer/Speedometer
 - Front and Rear Safety Lights
 - Tow Bar for Wheelchair
 - Crutch Holder and Strap
 - Mirror
 - Bike Rack
